

## Y. W. C. A. Membership Tea Planned For New and Old Members Friday

THE membership committee of the Young Women's Christian association met at 10 o'clock Tuesday morning in the Y. W. C. A. clubhouse and at this meeting plans were discussed for the membership tea to be given on Friday afternoon from 3 to 5 o'clock. Hereafter these teas have been annual affairs and have been given through the courtesy of Mrs. James Graham McHenry at the McHenry home. Plans are to make it from this time a quarterly event and the tea on Friday afternoon in the first of the teas which are given in honor of the new members of the association.

## Miss Bertha Pool, Of City Schools, Given Honor By State Association

MISS BERTHA POOL, primary supervisor of the El Paso schools, has been appointed chairman of the primary department of the State Teachers' association. The appointment was made while Miss Pool was attending the state convention of the teachers' association which recently was held in Houston.

Miss Pool stands very high in the profession of teaching and is one of a number of honors which have been bestowed on her by her co-workers.

She is at present visiting in other parts in the state and will return home the latter part of the week.

The condition of Mrs. Rena Wilkins Carr, who underwent an operation for appendicitis on Monday afternoon at

## Drinking a Glass of Hot Water is a Splendid Habit

Cleanse and sweeten the system each morning and wash away poisonous, stagnant matter.

Those of us who are accustomed to feel dull and heavy when we arise; splitting headaches, stuffy from a cold, sour tongue, watery breath, acid stomach, loose bowels, indigestion, back ache and feel as fresh as a daisy again by washing the poisons and toxins from the body with phosphated hot water each morning.

We should drink, before breakfast, a glass of hot water with a teaspoonful of limestone phosphate in it to flush from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary tract before eating more food.

The action of limestone phosphate and hot water on an empty stomach is wonderfully invigorating. It cleanses out all the sour fermentations, gases, waste and acidity and gives one a fine appetite for breakfast. A quantity of limestone phosphate costs very little at the drug store, but is enough to make anyone who is bothered with biliousness, constipation, stomach trouble or rheumatism an enthusiast on internal sanitation.—Adv.

## INVITE EDITORS TO MEET HERE

El Paso Representatives  
Attend Editorial Confer-  
ence At Dallas.

Dallas, Tex., Dec. 2.—The managing editors of the Texas and Oklahoma Daily newspapers, in session here for the past two days, will probably meet next December in El Paso.

At the closing session today, James S. Black, of the El Paso Times, and G. A. Martin, of the El Paso Herald, presented an invitation to them to meet next in El Paso, and the suggestion was received with favor.

Final decision was left with the president and the executive board.

The editors have had one round of entertainment with business sandwiched in where possible. They have been the guests of all chiefs and of the newspapers at luncheons and banquets galore.

The medical college of the New York university now has 20 women students, all of whom are on the same basis as the men, attending the same classes, working in the same laboratories and clinics and receiving the same degrees.
